

# LONG-TERM AIRPORT PARKING

**Flying away for a few days? Want to save money on parking fees?** The new ORTIA Long-Term Parking Area is for you! Here's secure, covered parking just minutes from the main arrivals/departures area at a fraction of the cost of parking directly opposite the terminal buildings. Enjoy substantial savings and still benefit from total convenience!

#### **Lowest-cost parking in airport precinct**

The Long-Term Parking Area is at Super South Gate, at the airport's western extremity. ! Full fees are detailed on the table overleaf.

#### **FREE shuttle service**

A 24/7 shuttle service operates between the Long-Term Parking Area and the terminal buildings. The buses take no more than ten minutes to get to the airport and the service is provided at no cost to you.

#### **State-of-the-art security**

Entrances and exits are protected by CCTV and the entire facility is manned by security guards 24 hours a day.

#### **Cash or credit card payment**

For your convenience, you can pay by credit card at the exit, or either by cash or credit card at a pay station on site. Cash payments at the terminals are no longer necessary. We also offer a SpeedPark prepaid card which can be used at all parking facilities including the Long-Term Parking Area.

#### **Getting there couldn't be easier!**

- Take the R21 towards Boksburg, driving past the Emperor's Palace casino.
- Take the Griffiths Road off-ramp and turn left.
- Turn right at the T-junction, and follow the signs.
